

Journal of Management Education

The Journal of Management Education is a peer-reviewed journal that publishes research, theory, and practice in the field of management education. The journal is published quarterly by Sage Publications. The journal's content is organized into several sections, including: Research, Theory, Practice, and Reviews. The journal is a leading source of information for management educators and researchers.

Manufacturing Technology

Manufacturing Technology

There is a growing need for manufacturing technology in the United States. The Department of Education is working to develop a national curriculum for manufacturing technology.
