Dear Sir,

I greatly regret to hear from our mutual friend, Professor Losh, that you are leaving London and, therefore, cannot take up your membership of the Wigwam Club.

I enclose postal orders for 26/- herewith, as I do not think it fair that you should pay entrance fee & subscription to a Dining Club whose gatherings you have been unable to attend! Kindly return the receipt with your signature, to satisfy our Auditor.

Wishing you Luck, wherever you go.

Yours very truly

J. Filmer
