

Korp. 387

946

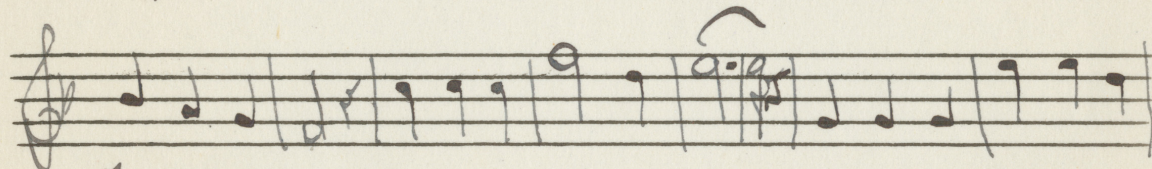

Korpo kyrkby

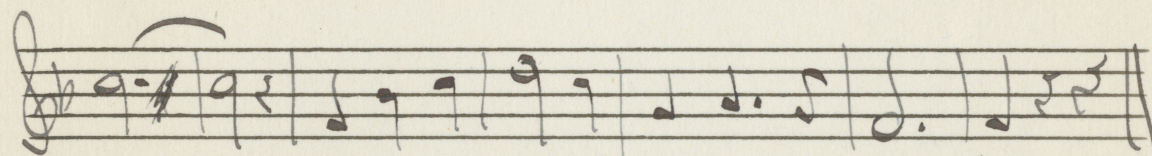

Vindarna vira, vågorna brusa, snövit skummet vräkes mot

land, måsarna skria, granarna susa runt omkring stugan,

fatt i vid strand. Men i mid stugans dörr står Anna trofast som

förr, söker med flickan brusande våg.

Kasper Rönberg/
1.7.1923.
